

INFINITY ROOFING & BUILDING SOLUTIONS Quality Statement

It is the policy of Infinity Roofing & Building Solutions Ltd to operate a Quality Management System that meets the specific requirements of our Clients.

Our objective as a sub-contractor is to supply a service to comply with the contract specific requirements and Quality Management Systems required by our Clients.

Infinity Roofing & Building Solutions Ltd produce project specific Quality Plans, Method Statements and Risk Assessments that include supporting procedures which explain the requirement for quality together with the means to satisfy this requirement.

All of the directors and staff of Infinity Roofing & Building Solutions Ltd are committed to achieve and improve its quality of service to Clients and are aware that this cannot be maintained without the combined efforts of all Company Personnel at every level.
